ASST. EDUCATION OFFICER**

Dale Fanale reported an Adult Education flyer was sent out in the Spring and Fall to school districts to try and get Boating Course ABC listed. Possibility of using West York H.S.

Bud Menchey will continue to hold Safe Boating classes at his house so our course rental costs for public courses and other classes are almost nonexistent.

Dale will try and contact education officer and president at Susquehannock Boating Club and see if there is any interest in sharing education program.

Fred Wise, Sr., has downloaded and will be working on a new 2010-11 Roster for all members.
