DRIVING DIRECTIONS ON PAGE 6 OF THIS FLYER

SOMETHING NEW FROM NATIONAL

Take note to our new layout for the Anchorline. It now complies with National standards and guidelines. The national logo should always be the prominent brand in brochures, apparel, signage, newsletters, business cards and websites. Our squadron logo is now the secondary brand and really shouldn't compete with the national brand at any time. National has also dropped the the word "safety" from its language. They are also dropping the tagline *America's Boating ClubSM* along with some non-approved logos.

UNITED STATES POWER SQUADRONS®

*Come for the boating Education
Stay for the Friends™*

**COMMANDER JOYCE C. FILIUS, S
YORK SAIL & POWER SQUADRON**

COMMANDER'S MESSAGE

It seems that spring and summer have arrived at the same time – finally! We hope you have your boats in the water, your fishing poles and crab traps ready for a good season, and your coolers filled.

Dolly Furst has done a remarkable job of putting this Anchor-line together so you have YSPS information in one place for the rest of the year. We hope you can invite friends and family to the June 5th picnic, and we will be specifically inviting members of the last boating class.

Craley Days are mentioned in this newsletter, where we will be setting up a table to promote YSPS. If you are involved with an organization and it would be appropriate for us to have a presence there, please contact me. Future members are everywhere!

Another initiative is that the United States Power Squadrons are intent on “branding” the organization, and that means that the emphasis will be on telling people we are members of USPS and not necessarily one of the 450 individual squadrons. It makes sense when you think of the Coast Guard Auxiliary, which is known as one entity, with membership in specific areas.

D/5 Spring Conference

And on a personal note, many thanks to each one of you for your support and hard work. It makes our events fun, friendly, and we’re always learning!

Respectfully submitted,
Joyce C. Filius, Cdr

ADMINISTRATIVE OFFICER'S REPORT

Ahoy Mates,

We have a lot planned for you within the next few months, so I hope you take time to look through the newsletter and be on board for all the activities.

Summer is finally here and warmer weather is upon us, so I am sure many of you are on the water. Keep in mind we are still doing Vessel Safety examinations. Just give Ed a call at the number listed and he will come to your home if needed.

Our Holiday party has been changed to Dec 5, so please put that date on your calendar as we will be visiting the York Country Club this year off Country Club Road in York. Come out and enjoy the holiday with friends.

Deb Wise has so graciously volunteered to help me with the many activities this year and I appreciate her willingness to do that. **Thank you Deb.**

I would also like to **thank the many members** who donate their time at our annual Family Picnic and Crab Feed each year: **Sue & Terry Witmer, Lee & Connie Gutshall, Don and Rocki McKonly, Tom & Deb Wise, Ryan Moore, and Joyce**

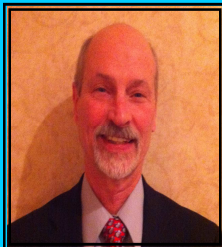

and **Fred** who host it every year.

We will be visiting a few new venues this year for our dining pleasure so I hope you will be part of that too.

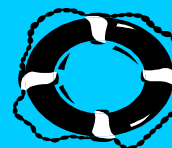

Craley Days are coming Aug 7 and 8 and for the first time, we are participating by having a table available to pass on information regarding York Sail & Power Squadron's boating safety information. Volunteers are needed to man the table, so I hope some of you are able to step up and serve an hour or two for a chance to share our organization and its good works in York County. Remember there is good food at this event. too .

Respectfully submitted,
Lt/C Dolly Furst, S

Boating Safety - It Could Mean Your Life

In the most recent year with complete data, the US Coast Guard reports that there were 4062 recreational boating accidents in the U.S. and its territories in which 560 lives were lost and 2,620 were injured. Almost 77% of the fatal accident victims drowned, and of these, 84% were reported as not wearing a life jacket. Eight out of every ten boaters who drowned were using boats less than 21 feet in length.

BWI (Boating While Intoxicated) is the leading contributing factor in fatal boating accidents; it was listed as the leading factor in 16% of the deaths. Operators with a blood alcohol level of 0.10 percent (for most of us, that means just one to three beers) are 10 times as likely to be killed in a boating accident as a sober boater.

What about the remaining four deaths out of every five? Additional contributing factors were operator inattention, operator inexperience, excessive speed and other improper operation, improper lookout, poor vision, faulty equipment, inadequate safety systems and devices, limited or inaccurate local knowledge, and ignorance of basic rules of the waterway.

IF YOU OWN A BOAT YOU NEED A BOATING COURSE.

BE SAFE ON THE WATER!

NEXT BOATING CLASS

An ABC3 class is now scheduled for May 18 with the final exam taking place on June 22 at the hanger in Wise's Woods. Fall Class begins October 19 at the Menchey Academy. Additional details will be provided at a later date. If you know of someone who may be interested, please provide the names of any prospective students to myself or any other member of the Education Department.

To register or request more information call 292-6402 or 244-0111 or

E-mail: TMiller524@aol.com or fred.wise@wiseinc.com

NAVIGATION CONTEST—6 JUNE 2015

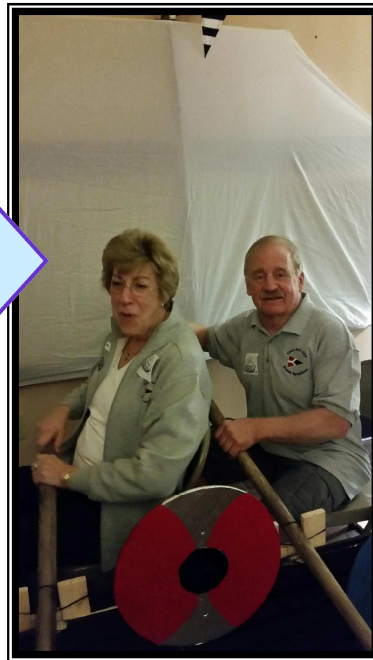

CAPTAIN'S MEETING—0900—MARKLEY'S MARINA, ESSEX, MD

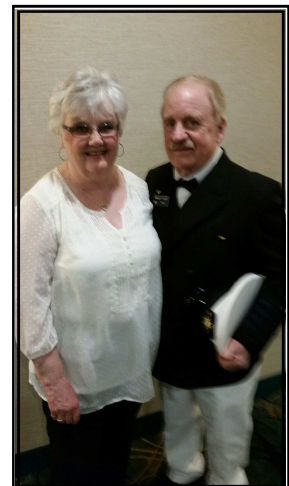

All members are welcome to participate either with their boat or as a crew member. Please contact Don McKonly at 717-252-2009 or email him at: dmckonly413@comcast.net

UNITED STATES POWER SQUADRONS SPRING CONFERENCE HELD MARCH 27, 28 & 29 IN OCEAN CITY, MARYLAND AT THE PRINCESS ROYALE.

Cdr Joyce Filius and P/Cdr Ed Furst enjoying a little fun and games during the Friday night hospitality suites.

Some great photos of our trip!

DRIVING DIRECTIONS TO THE WISE'S WOODS.

FROM RTE 83 YORK (North, Northwest)

Rte 30 East or West—to Rte 83 South to Exit #18 (Mt Rose Ave/Prospect Rd). Left turn off I-83 ramp (signal light) to Mt Rose Ave./Prospect Rd. ***Follow directions below**

FROM RTE 83 YORK (South)

Rte 83 North—to Exit #18 (Mt Rose Ave/Prospect Rd) Right turn off I-83 ramp. Follow Mt Rose Ave/Prospect Rd. ***At 5th signal light (counting ramp light) — INTERSECTION—**turn right on to Rte 24 S towards Red Lion (M & M Car Lot on right side)

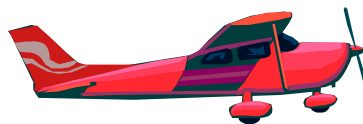

Follow Rte 24 about 1/8 mile @ “very sharp turn” — get in left-hand turn lane (Waterford Professional Ctr. on right side) —make left turn on to **WINDSOR ROAD**. Follow Windsor Road approx. 4.8 miles to signal light at Freysville. Go straight through intersection to next traffic light. Make left turn and head East onto Main Street (Rt 624). After leaving town it becomes Craley Road. From the traffic signal to the driveway is 0.6 miles. Address is 1366 Craley Road. Travel East on Main Street to the borough line, where Blacksmith Avenue crosses, then continue East on Craley Road for two-tenths of a mile to my shop on the right side of the road. There is a small Wise Electronic Systems sign below the flag adjacent to the shop (barn with gray siding). The driveway is on the left (East) side of the barn.

Follow the paved drive up the hill past the house to the picnic area and the airplane hangar.

From Dallastown/Red Lion (South)

Intersection at Cape Horn Rd (Rte 24) & Lombard Road. Follow Lombard Road to stop sign. Left turn on to the Freysville Road. Go to four-way stop sign @ Freysville Road Intersection (churches on corner). Make right turn on to Windsor Road. Follow Windsor Road to the traffic light. From the traffic signal at the intersection of Main St. make left turn and head East on Main. Main Street in Windsor is also Rt. 624 and after leaving town it becomes Craley Road. My address is 1366 Craley Road. From the traffic signal to the driveway is 0.6 miles. Travel East on Main Street to the borough line, where Black Smith Avenue crosses, then continue East on Craley Road for two tenths of a mile to my shop on the right side of the road. There is a small Wise Electronic Systems sign below the flag adjacent to the shop (barn with gray siding). The drive is on the left (East) side of the barn.

Follow the paved drive up the hill past the house to the picnic area and the airplane hangar.

York Sail & Power Squadron Dinner Meeting

July 9, 2015

SHANK'S MARE OUTFITTERS

Our Master of Ceremony, P/C Fred Wise, Sr.

Cdr Joyce Filius sharing her acceptance speech.

2015 - 2016 YSPS Bridge being sworn in.

Lorreelee Filius wins a nice Starbucks coffee cup and gift card for winning the "Human Bingo" game.

Cdr Filius and our special guest D/Lt/C Walter Neese of the Dundalk Sail & Power Squadron.

U.S. Coast Guard recommends that all recreational boaters, including personal watercraft and paddle sport users, take advantage of the free Vessel Safety Check program every year.

Our courtesy Vessel Safety Check (VSC) can be performed at your boat – whether in a slip, at the launch ramp, or in your driveway – by a certified Vessel Examiner, at a mutually-convenient time, and usually takes 30 to 45 minutes, depending upon the size of your boat. Contact a local YSPS volunteer to perform a VSC on your boat TODAY!

MAKE SURE YOUR IS VESSEL IS READY AND SAFE FOR THE WATER.

CALL Terry Witmer @ 741-3331, Ed Furst @ 244-8218 or Dale Fanale @ 854-9495.

Our YSPS Certified Boating Inspectors.
