UNITED STATES POWER SQUADRONS®

Robert W. Nagle, AP

COMMANDER YORK • SAIL & POWER SQUADRON

COMMANDER'S REPORT

Now that I've been nominated as Commander of the York Sail and Power Squadron, my first message is to thank all of you for this vote of confidence. I hope that you will join me in support of our squadron by attending our Change-of-Watch on February 7th. This year YSPS begins our 54th year of educating boaters and having fun in the process!

There will be boating, picnics/parties/dinners, and guest speakers this year. We're always open to new thoughts and ideas.

To my fellow officers, I am looking forward to being the Commander of YSPS for this coming year and to working with each one of you. I thank you for your continued support of the squadron and I appreciate your dedication.

Respectfully submitted,

Robert Nagle, PC

America's Boating Club®

ADMINISTRATIVE OFFICER REPORT

This year, at the request of members, we are having an "informal" Change of Watch. That means a short installation of officers, no uniforms, and no representative from District 5. We will hold this first meeting of the year on February 7th, 6:00 pm, at the Red Lobster in York. Connie Gutshall is in charge of this event. Please see the details on front page of this flier.

We have also changed the yearly calendar to include fewer meetings, only two speakers, but keeping the social events that everyone seems to enjoy. Since our primary mission has evolved into increasing our vessel safety checks and conducting the boating classes, it was felt this better represented what members want at this time. And, of course, we have Ed Furst, Terry Witmer, Dale Fanale, and Don McKonly to thank for the VSCs, and also Bud Menchey for being such an excellent boating course instructor.

Looking forward to seeing everyone in February!

HAPPY
New Year
