

Happy January!

We are so optimistic that this will be a more normal year that your bridge has created a 2021 schedule!

Since most members feel it isn't safe to meet in person yet, our February 4th "very informal" Change of Watch will include the election of bridge officers, the swearing in, and then just a social hour to reconnect with each other via Zoom. So, please bring your happy face, a joke or two, and join us. We are requesting a response if you can "attend," because a link will be sent approximately a week before the meeting directly from Zoom. And to accommodate various servers, I will also send the link to everyone in an email. If you haven't downloaded Zoom, please contact me and we'll get you set up.

We have decided to retain the current slate of officers because they didn't have anything to do last year. Just kidding! However, nominations or volunteers are accepted until the election. So if any one of you would like to add your name for any office, we would be happy to do so. New ideas are very welcome! The slate of officers is as follows:

Commander: Robert W. Nagle, P
Executive Officer: Thomas J. Miller, AP
Educational Officer: M.J. Bud Menchey, JN
Administrative Officer: Joyce C. Filius, S
Secretary: Connie H. Gutshall, P
Treasurer: Lee C. Gutshall P

Attached is our 2021 calendar. The first in-person meeting is planned for April for those of you who are comfortable with that, but Zoom is also a possibility. If there is anything we have learned it's that all schedules are fluid, so we will keep you updated!

The other changes we have made are that the June 5th picnic will be on a Saturday at 3:00 p.m., and the holiday party will be on a Thursday night, December 9th. Deb Wise is the chairperson for the holiday event. Even though she inquired early in January, all Saturday nights at Wyndridge in December were booked with weddings. People are making up for lost time.

Please put February 4th on your calendar. We miss all of you and want to see your smiling faces and say "hi." No masks required!
