The Pub Room & Brewery
Wyndridge Farms

What: YSPS dinner meeting with the first of only two speakers this year.

When: Thursday, April 2, 2020

  6:00 - Social Hour
  7:00 - dinner
  8:00 - Speaker

Where: Wyndridge Farms, 885 S. Pleasant Ave., Dallastown, PA.

We are going to be located in the Pub, which is a separate entrance to the right of
the main entrance. Dinners can be ordered off the menu, you will be billed
individually, and there will be a bartender available. We enjoy this venue because
of the wide selection of food, the service, and the privacy.

Who: We hope you will reserve the date to join us to hear Stephen Smith’s
wonderful PowerPoint presentation about the operation and history of the
Codorus Navigation Works. The eleven miles of canal and slack water, via the
Codorus Creek, allowed 70-foot long canal boats to navigate between downtown
York and the Susquehanna River.

Steve is a retired mechanical engineer from York International Corporation and
an award-winning family history author. He also writes a local history blog,
YorksPast.

Please join us in welcoming Steve to YSPS.

Reservation deadline is Thursday, March 26th. Just call, text, or email Joyce
Filius at: 717-880-2141, jfilius@wiseinc.com, or give your calling committee
member your reservation.
